

Two Robots (Part 2)

[INAUDIBLE] a bookshelf. But instead-- it does have shelves, but it has areas for the body to go through.

I have--

Wait.

Also--

Wait. He's got an idea. Let's listen to it.

And so, basically--

So, come on. Let's look at his robot.

[? [INTERPOSING VOICES] ?]

I have other ideas.

--it's where this-- basically. But in the middle, it has areas for parts to go down. And then, at the bottom, it spreads out and makes wheels on the bottom.

OK. So this is another friend robot. This is [? Dylan's ?] robot. We're going to bring it over here too.

Also--

Beep! Beep!

[INTERPOSING VOICES]

We're going to have two robots.

Beep! Beep!

I have more than one--

Wait, listen. We're beep, beep, beeping. Beep.

Beep.

Beep, beep, beep--

Beep.

Beep. Beep.

Beep, beep, beep--

Beep, beep, beep, beep, beep--

Beep. Beep. Please move, Nicholas. Please--
