Fun At Home Yoga and Movement Activities for Students who are Blind or Visually Impaired

What is yoga?
- For our purposes, yoga is a practice of simple movements that incorporates breathing to provide a safe and fun form of exercise!
- For us, yoga is NOT religious or spiritual.

Why practice yoga and movement activities at home?
- Yoga and movement activities are Safe, Fun, and Effective!
- Increases rec/leisure skills (by practicing exercises)
- Increases self-determination (by doing exercise at least once/week for 12 weeks)
- Increases body and spatial awareness (by identifying body parts and pairing movements in a fun, motivating activity).
- Increases leadership skills (have the student show you the poses once they know them, or have them choose the poses they want to do).

Yoga Sequences We Might Have Practiced in Class:
- Animal Adventure Yoga Sequence
- 5 Minutes to Calm Yoga Sequence
- Sun Salutations, Yoga with Kassandra (not me!)
