

**LET'S DO A CANE  
REVIEW!**

**Your cane has  
three basic parts:  
the grip, shaft, and  
tip.**

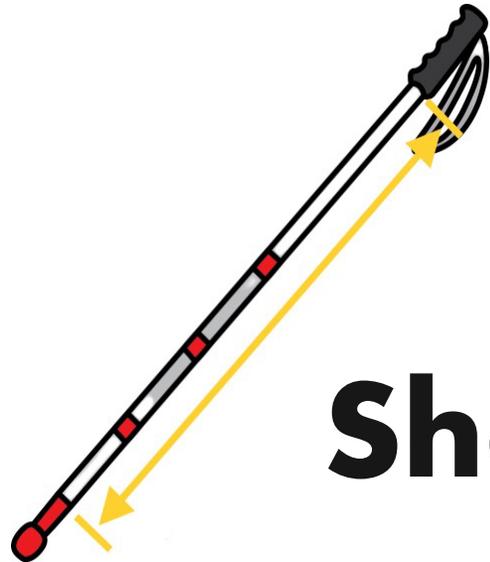

# Cane

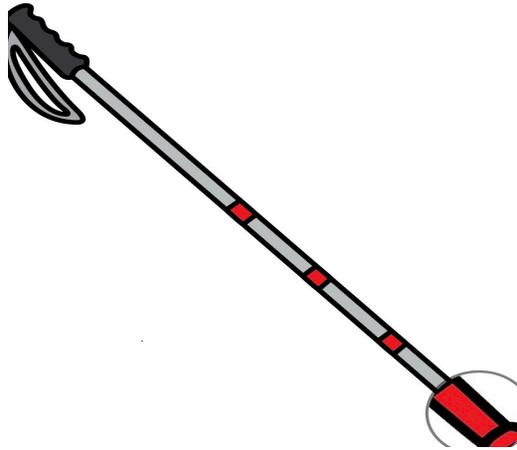

**The grip is  
the part you  
hold on to.**

**The shaft is the middle section.**

**Shaft**

**The tip is that little thing at the end. Yours is like a spinner. It's called a roller tip.**

**There are lots of other things to learn about the cane. It's going to be awesome!**
