Christmas has come and kitty is curious about all the new things. A tree in the house with pretty things on it.

Christmas ornaments hanging from the tree may be fun to play with for Curious Kitty!

Oh yes! Curious Kitty is having fun playing with the Christmas ornaments.

A big red bow and a Christmas hat
look like fun too!

Santa must have dropped his hat when he was leaving presents and treats.

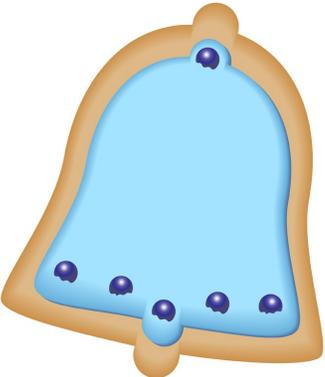

Curious Kitty climbs inside the hat and likes how warm and cozy it is.

Curious Kitty puts the warm Christmas hat on her head.

Santa left cookies and candy canes!

Santa also left presents and filled up Haley's stocking!

Curious Kitty got a new scarf as her
Christmas present!

After opening her present, Curious Kitty spent the day playing in the box.
