

Instructions for a Snowflake

By Edith West

- Row 1: Space 5 times, make "with", space 4 times, make "er", make "his", make "was", make "with", make "of", make "his", make "was", make "q", space 4 times, make "of".
- Row 2: Space 3 times, make "with", make "q", make "for", space 5 times, make "d", make "for" 4 times, make "f", space 5 times, make "for", make "er", make "of".
- Row 3: Space 3 times, make "f", space 1 time, make "d", make "of", space 2 times, make "d", make "g" 3 times, make "for" 2 times, make "g" 3 times, make "f", space 2 times, make "with", make "f", space 1 time, make "d".
- Row 4: Space 6 times, make "d", make "of", space 5 times, make "for" 2 times, space 5 times, make "with", make "f".
- Row 5: Space 7 times, make "d", make "of", space 1 time, make "d", make "g" 2 times, make "for" 2 times, make "g" 2 times, make "f", space 1 time, make "with", make "f".
- Row 6: Space 8 times, make "d", make "of", space 3 times, make "for" 2 times, space 3 times, make "with", make "f".
- Row 7: Space 5 times, make "of", space 3 times, make "d", make "of", space 2 times, make "for" 2 times, space 2 times, make "with", make "f", space 3 time, make "with".
- Row 8: Make "gg", make "his", space 3 times, make "for", space 2 times, make "of", space 2 time, make "d", make "of", make "for" 2 times, make "with", make "f", space 2 time, make "with", space 2 times, make "for", space 3 times, make "was", make "gg".
- Row 9: Make "period", make "for", make "his", space 2 times, make "for", space 2 times, make "for", space 3 times, make "d", make "for" 2 times, make "f", space 3 time, make "for", space 2 times, make "for", space 2 times, make "was", make "for", make "f".
- Row 10: Make "with", make "for", make "gg" 11 times, make "for" 2 times, make "gg" 11 times, make "for", make "of".
- Row 11: Make "er", make "for", make "g" 11 times, make "for" 2 times, make "g" 11 times, make "for", make "q".
- Row 12: Make "j", make "for", make "f", space 2 times, make "for", space 2 times, make "for", space 3 times, make "was", make "for" 2 times, make "his", space 3 times, make "for", space 2 times, make "for", space 2 times, make "d", make "for", make "his"
- Row 13. Make "g", make "f", space 3 times, make "for", space 2 times, make "q", space 2 times, make "was", make "f", make "for" 2 times, make "d", make "his", space 2 times, make "er", space 2 times, make "for", space 3 times, make "d", make "gg"

Row 14. Space 5 times, make "q", space 3 times, make "was", make "q", space 2 times, make "for" 2 times, space 2 times, make "er", make "his", space 3 time, make "er"

Row 15. Space 8 times, make "was", make "q", space 3 times, make "for" 2 times, space 3 times, make "er", make "his"

Row 16. Space 7 times, make "was", make "q", space 1 time, make "was", make "gg" 2 times, make "for" 2 times, make "gg" 2 times, make "his", space 1 time, make "er", make "his".

Row 17. Space 6 times, make "was", make "q", space 5 times, make "for" 2 times, space 5 times, make "er", make "his".

Row 18. Space 3 times, make "his", space 1 time, make "was", make "q", space 2 times, make "was", make "gg" 3 times, make "for" 2 times, make "gg" 3 times, make "his", space 2 times, make "er", make "his", space 1 time, make "was".

Row 19. Space 3 times, make "er", make "of", make "for", space 5 times, make "was", make "for" 4 times, make "his", space 5 times, make "for", make "with", make "q".

Row 20. Space 5 times, make "er", space 4 times, make "with", make "f", make "d", make "er", make "q", make "f", make "d", make "of", space 4 times, make "q".

Looks something like this:
