

PLAYFUL KITTENS

Kittens like to play and sleep.
A kitten can be a fun playmate.

A ball of yard is a fun toy for a kitten.

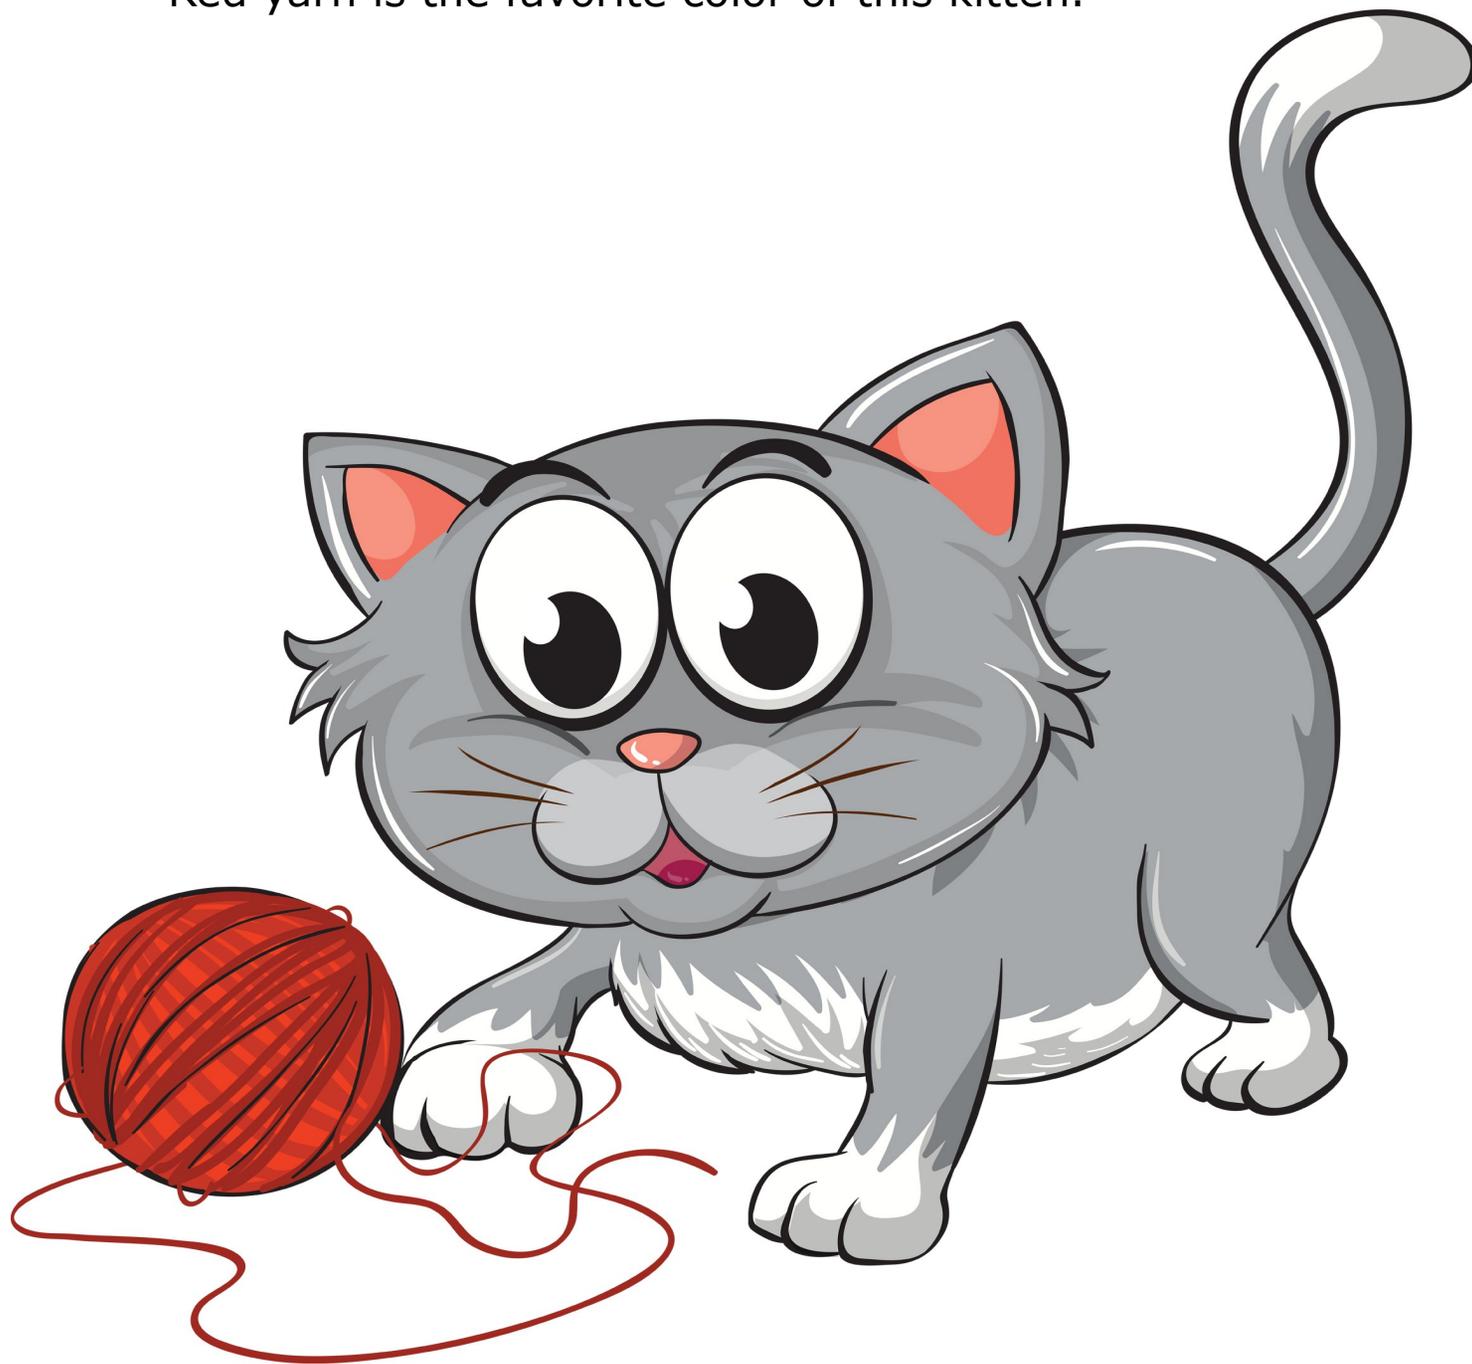

This kitten is playing with pink yarn.

A ball of blue yarn makes this kitten smile.

Red yarn is the favorite color of this kitten.

Tossing the ball of yarn in the air is fun!

The kitten is tired from playing and is sleeping.

She is dreaming about playing with yarn.

Shhhhh, night, night kitten.
