Planning the Next Story Creation Session: The importance of self-observation and reflection

1. Review goals for student(s) when planning lesson.
2. Fill out Planning Sheet to plan how to incorporate the 6 Essential Components.
3. Video tape the session.
4. Create written stories during intervention sessions.
5. Review portions of video samples from all practitioner sessions.
6. Fill out Reflections Sheet after watching the video.
7. Note how you will change the next session, based on your reflections.
8. Incorporate reflections into next session.
