

## Visual Tasks Survey

Think about the following tasks that require use of vision. Is the item very easy or very hard to complete, or somewhere in between? Please circle the number that best describes your ability to comfortably complete each task. If you use assistive technology (e.g., braille device, telescope, magnifier) to complete the task, please check "AT" next to the task.

### Scoring

1 = very hard

2 = somewhat hard

3 = neither hard nor easy

4 = somewhat easy

5 = very easy

When you are finished, total your score.

- Between 88-110 = You are good to go!
- Between 66-88 = Perhaps you could develop some more strategies to complete these tasks more easily.
- Between 22-66 = Work with your TVI to develop strategies that would enable you to access more visual tasks.
