

# Vision Support Template

## Student Name-

---

### Condition-

[Name of visual impairment with brief description]

### Additional Information-

[Visual acuity/field loss/light perception/use of glasses/etc.]

### Impact-

[Brief description of how vision impacts classroom performance. Example: Reduced vision can make it difficult to read standard print, see the board from a distance, or identify faces.]

---

## Accommodations/Modifications

### Tools-

[List specific tools and their uses: e.g., Magnifier, CCTV, 24pt font, lightbox, large print (font size), high-contrast materials, monocular, iPad, tactile materials, audio recorders, braille, etc.]

### Instruction- modifications/adjustments teachers can make:

[e.g., Use black marker, verbally state board content, provide personal copies, modify grading (focus on content over neatness), allow alternative response formats (oral, scribes), allow extra time for assignments, etc.]

### Environment- classroom modifications:

[List specific modifications: e.g., window shades closed/open, high contrast, uncluttered floors and walls, preferential seating, predictable item placement, task lighting, reduction of background noise, etc.]

### Homework & Assessments- homework/classwork/exam expectations:

[List specific expectations: e.g., Extended time, use large print (font size), allow breaks, allow alternative response formats, reduce clutter, single-sided pages, etc.]
